| make | have | get | be | study | work |
| start | return | live | finish | want | love |
| talk | watch | hate | like | play | move |

10C Past simple bingo

Instructions

You will need: at least one Bingo card per student

- Give one *Bingo card* to each student, and allow them a few moments to check the past tenses on their cards. If you have more than eight students, distribute duplicate cards.
- Sit or stand in front of the class with a copy of the *Master bingo card*. Call out the infinitives on the card in any order, and cross them off the card at the same time.
- If a student has the corresponding past tense on his/her card, he/she should cross it out. The first student who crosses out all the verbs on his/her card should shout '*Bingo*', and is the winner. (Alternatively, students can shout '*Bingo*' if they get one horizontal line on their card.) The student's card can be checked against the *Master bingo card* if necessary.
- To repeat the activity, distribute new cards to the students and play again.
