go on	holiday	study	languages

## Instructions

*You will need: one set of cards per group of three students*

- Divide students into groups of three. Give each group a set of cards and tell them to spread them out in front of them face down. Students should put the small cards on the left and the big cards on the right. Shuffle the cards before the class.
- Students take it in turns to turn over one small card and one big card. If the words on both cards go together, the student keeps the cards as a 'trick' and has another turn. If the cards do not match, the student must put them back in exactly the same place, and the turn passes to the next student. If students cannot agree whether cards match or not, the teacher adjudicates.
- The activity continues until all the cards are matched up. The student with the most tricks is the winner.
- If one group finishes early, they can test each other on the collocations on the cards.
