Instructions and Answer key

You will need: one copy of the worksheet per student

- Pre-teach the following items of vocabulary: *volleyball, a team, chairman, a tiger, Asia, Africa, Europe.*
- Divide the class into teams of three or four, and give a copy of the worksheet to each student. Allow them time to read the instructions, and use the example to check they have understood what to do. Tell students that they will need to use some of the question words more than once.
- Students do the quiz in their teams. Set a time limit of ten minutes.
- Check the answers with the whole class (see Answer key). Students get one point for each correct question word, and two points for each correct answer. The team with the most points are the winners.
