15 Describe three ways to stay safe online.	10 Go forward one square. ←				
14 Miss a turn.	13 Think of four chores to do at home.	12 What are you going to study at college?	11 Think of two things you don't have to do on weekends.		

Rules of the game

Players play in pairs or groups of four. Each group has a coin to flip and each player has a counter. Players place their counters on the Start square. They take it in turns to flip the coin. If the coin lands on heads, they move forward one square. If it lands on tails, they move forward two squares. Players answer the question on the square where they land. If they can't answer the question they move back one square. Players follow the instructions on the shaded squares. The first player to reach the Finish square is the winner.
