

Student A

Make notes about what you were doing last week. Use the words in the box to help or your own ideas. Write three things which are true and three things which are *not* true.

Take turns to ask and answer questions. Guess which of Student B's answers aren't true.

buy clothes chat to friends clean my room download songs do homework
go to a concert help Mom play soccer ride my bike see my cousins watch a movie

A: What were you doing on Wednesday?

B: I was cleaning my room.

A: That isn't true.

B: It's true. I was cleaning my room! / It's false. I was playing soccer!
