

### Student A

Rosie and John both went away for the weekend with their families.

Read about John and complete the table with information about his weekend.

Ask Student B questions to complete the table with information about Rosie.

You: Where did Rosie go for the weekend?

Student B: She went to Florida.

Which trip do you think was more fun? Why?

We had a great time in New York. On Friday evening we ate out in a Mexican restaurant – the food was really tasty. On Saturday morning we took a bus tour around the city and went sightseeing. It was really interesting. On Saturday afternoon we went shopping and bought some souvenirs. Shopping is always fun! On Sunday morning we visited a museum – the dinosaur bones were great! On Sunday afternoon we went to Central Park. At 2 p.m. I was sitting in the sun watching a free concert – cool!

You: Where did John go for the weekend?

Student A: He went to New York.

Which trip do you think was more fun? Why?

We had a great time in Florida. On Friday evening we ate out in an Italian restaurant – I love Italian food. On Saturday morning we went to the beach and sunbathed all morning – it was so relaxing! On Saturday afternoon we hired a car and went to OceanWorld – that was really exciting. On Sunday morning we went for a walk in a national park – I took loads of photos of the animals. On Sunday afternoon it was back to the beach – at 2 p.m. I was sunbathing again – lovely!
