I live in Recife, Brazil. I go to school every day, but not on weekends. I usually get up at eight o'clock. I take a shower at eight thirty, then I go to school. Classes start at nine fifteen. I don't like math, but I love science. It's my favorite subject.

We play tennis and basketball at my school. I like tennis. We play tennis on Tuesdays, Wednesdays, and Fridays. But basketball is terrible. I hate it!

I like swimming. I go to the swimming pool on Saturday mornings. On Saturdays, I always have lunch at my grandparents' house. On Sundays, I visit my cousin.

My parents are teachers. They work at a university. They're cool. My dad plays the guitar. He's fantastic!
